

Browning Trail Cameras - Command Ops ELITE 40 (40MP)

The Command Ops Elite 40 camera trap that packs **40MP** of breathtaking clarity into a sleek, compact design. Built to excel in the field, this powerhouse captures every essential detail, day or night. It's the ultimate scouting tool, perfect for wildlife enthusiasts, and landowners who need an efficient, no-fuss camera to monitor mammals, keep tabs on property, or simply enjoy nature with stunning accuracy.

Imagine capturing vibrant detail up to 25m+ away in complete darkness—that's the power of the Elite 40's infrared LED flash. Nighttime images stay sharp without startling wildlife, allowing you to observe nature's nocturnal activity with ease. Plus, with 900p HD+ video recording and sound, this camera doesn't just take pictures; it immerses you in the scene, creating a vivid, real-life experience that goes beyond ordinary photos.
