

Browning Spec Ops Elite HP5 ULTRA (BTC-8E-HP5U)

The Spec Ops Elite HP5 ULTRA features the highest quality **46MP** image resolution on the market today. The invisible black flash (no glow), adjustable power “Night Vision” IR illumination reaches out to 35m+ thanks to the new **RADIANT 5** Night Illumination Technology. The Spec Ops Elite HP5 ULTRA camera also features an incredible **1440p Full HD video** processor, capable of producing stunning video footage of your game that can be easily viewed on a computer or big screen TV. Additional features include a 2” colour view screen and Smart IR Video, which continues to record video footage while game is moving in front of the camera. SD Card Management options allow you to overwrite older images on the SD card if the memory is full. This camera is perfect for surveillance of game animals that are easily spooked, as well as a great security camera around your home or hunting property.
