

Model X20WF

INFORMATION

GardePro X20WF [CELLULAR/CLOUD Only] - **WHITE LED FLASH** (Camo) + built-in viewer

Unlock wildlife monitoring with the 32MP GardePro **X20WF White LED** flash cellular camera trap which instantly sends full colour nighttime images and video clips. Immerse yourself in the beauty of nature with its **110° wide-angle** view for outdoor clarity.

Stay connected and receive real-time updates on wildlife through its 4G cellular photo and video transmission capability through a dedicated app ("GardePro Mobile"), with **no monthly subscriptions or Cloud hosting fees** allowing you to be in the know anytime, anywhere. Utilizing white flash technology, you can discreetly illuminate the night, capture colourful photos and videos of nocturnal wildlife and preserve their vivid details.

So, capture, connect, and illuminate with the GardePro X20WF to enhance your wildlife monitoring experience.

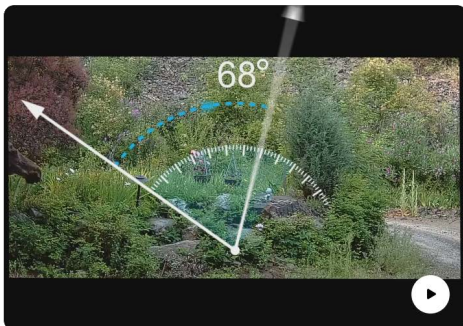

White LED Flash: Capture vibrant, colour-rich photos and videos at night. **Instant Cellular Connectivity:** Stay connected in real-time for remote check-ins and updates.

Easy Setup: Hassle-free installation with a user-friendly interface.

Compatibility Options: Pair with solar panels for extended battery life and connect to the strongest local network signal.

Advanced Features: Includes on-demand video requests, 3-shot burst mode, fast trigger speeds, HD photos, 1296p FHD videos, and customizable video durations of up to 5 minutes.
